

Special Needs Soccer Players Wanted

TOPSoccer is an outreach program of the Wisconsin Youth Soccer Association. TOPSoccer offers children with disabilities an opportunity to enjoy the game of soccer with an emphasis on fun. There are TOPSoccer teams in several locations in southeastern Wisconsin and across the United States.

Sussex TOPSoccer is looking for disabled youth, ages 4 to 18, who would like to play soccer. We have lots of dedicated coaches and buddies for different ages and abilities. We meet on Saturday mornings from 9:00 am to 10:00 am at Templeton Middle School in Sussex, Wisconsin.
