'E' RELEASE REQUEST FORM

Coaches will be accepted directly into the 'D' License course and the 'E' Certificate prerequisite released, if they completely meet one of the following three qualifications:

1. Four years of collegiate playing experience
2. Two years of professional playing experience
3. Two years of high school coaching or U15+ club coaching experience together with teaching certification

Documentation of the above qualification must accompany the request for a release of the 'E' Certificate prerequisite. Proof such as verification by owners, athletic directors, or coaches on official letterhead stating the specific year(s) coached/played, photocopies of contracts, or teaching certification is required. Coaches with foreign coaching credentials should contact the United States Soccer Federation directly for equivalency validation or acceptance into USSF National License Coaching courses.

The request for an 'E' release **must be submitted with all necessary documentation 21 calendar days** prior to any 'D' course for which it could be used. A \$50 application fee applies. (Checks payable to Wisconsin Youth Soccer Association) Approved applications also require the **submission of 'E' test materials to the WYSA office a minimum of 10 days** prior to the 'D' course that it is to be used for. An approved 'E' release does not provide the applicant with a license, it simply grants direct entry to a 'D' license course.
