

2011 WPL & Men's U23 Player Registration Procedures

This year the WPL and Men's U23 leagues will use the League One database for all player registrations. The procedures outlined here are new and closely follow how WYSA select or classic teams are registered with your club.

1. All teams need to follow their club procedures for team registration through the League One database. Many clubs use online registration. You may have either a club registrar or a district registrar. Team managers need to speak with their club to determine their own club's registration procedures for a WPL or Men's U23 team.
2. Your club may offer online player registration or each player completes a paper photocopy of the WYSA Player Registration Form, a Release of Liability form and a Consent for Medical Treatment form available on the web site at:
<http://www.wiyouthsoccer.com/Leagues/womensleague.htm>
[http://www.wiyouthsoccer.com/Leagues/Men s U23 League.htm](http://www.wiyouthsoccer.com/Leagues/Men_s_U23_League.htm)
3. A new player pass is required for participation in this league. A photo trimmed to 1" wide x 1" high of the player's head is needed for the player pass. Team managers should collect all player photos for your team and then attach them to the player passes you receive back from your club registrar. **DO NOT SEND** pictures or registration forms to the WYSA.
4. All players will receive a white league t-shirt to use as an alternate jersey. Please specify size and number for you team's shirts using the 2011 T-shirt Order Form. If your t-shirt order is not received by 6/1/2011, WYSA will print ten t-shirts numbered 1-10, and ten shirts numbered 11-20 for your team. The shirts are shipped via UPS to arrive at the team manager's home by June 15th.
5. The Adult League Registration Fee is \$750 and due on May 2nd, 2011. This fee includes:
 - \$150 Team registration
 - \$200 Team bond
 - \$400 League t-shirts and administrative expenses
6. The player registration fee is \$25.00 per player and will be invoiced on July 1, 2011, by WYSA through your club and League One. The \$25.00 fee includes national & regional adult registration fees and a mandatory medical insurance policy.
7. Managers should mail the team registration form and payment to the WI Youth Soccer Assn, Attn: Patrick Hodgins, 10201 W. Lincoln Ave Suite 207, West Allis, WI 53227, **by 5/1/2011**.
8. **Player Registrations are due by June 1, 2011** to your club/district registrar and must include the following items:
 - **Player Registration forms**
 - **Release of Liability forms**
 - **Consent for Medical Treatment forms**

We encourage teams to submit a partial registration to their club/district registrar as soon as you have the materials from several players.

The team manager will receive player pass cards without pictures and official WYSA team rosters from the club/district registrar. Managers will need to attach the player photos to the pass cards and then laminate the passes before the first game.

Please contact us with any registration questions.
