

## 2020 TRYOUT POLICY

The WYSA Tryout Policy applies to competitive teams (Classic, State, and National League) statewide.

### 2020 Tryout & Offer Dates

Age Group & Gender	First Date of Tryouts	Uniform Offer Dates
U11-U19 Boys & Girls	July 13, 2020	July 21, 2020 at 12 noon

Extending an offer prior to the Uniform Offer Date is considered a violation of the WYSA Tryout Policy and will result in sanctions of the offending club.

### Period of Open Promotion

The Period of Open Promotion begins June 29. Open Promotion is defined as contact with the parent/guardian of a player initiated by club staff or an agent of the club with intent to promote the club. Under no circumstances may contact be directly with the player; player contact is limited to the official tryout. The period of Open Promotion ends July 31 unless a player has already accepted a position with another club. In that case, their participation cannot be solicited.

Activities not permitted during the Period of Open Promotion:

- Direct contact with a player (phone calls, text messages, emails, other electronic, written or in person communication).
- Unauthorized player participation in a team training session or evaluation prior to the tryout window (see WYSA Poaching Policy for authorization requirements).
- Contact with the parent/guardian of a player prior to the coach dismissing the team at trainings or games.
- Discussions regarding reduced fee structure for the club being promoted unless consistent with club policy. (A club may explain to a candidate that scholarships are available, but they must qualify per club policy. A club cannot guarantee a player a discount of the uniform cost, reduced registration fee, etc. if the player joins the club.) Note: In 2020, clubs who were unable to provide service in Spring 2020, may offer to credit current members for Fall 2020 programming.
- Any offer made prior to the Uniform Offer Date.

### Early Offers

Beginning May 15, Clubs may extend early offers to current year players for a spot on a specific team in the next year. An early offer must provide players a minimum of 72 hours to respond. (Expiration of the offer is the club's discretion, if the 72-hour minimum requirement is met.)

The offer for a specific team obligates the club to register the player on the team listed in the offer if the offer is accepted. Players may respond immediately to offers but are not required to.

Early offers must be in writing and include:

1. Date and time of offer
2. Name of club representative making the offer, and
3. Team for which the offer is being made
4. The following statement:

*Clubs may extend early offers to current year players for a spot on a specific team in the next year. The offer for a specific team obligates the club to register the player on the team listed in the offer if the offer is accepted. Players may respond immediately to offers but are not required to. By accepting an early offer, you understand that you are committing to a position on "Team" and obligated to "Name of Soccer Club" for the seasonal year. Players who commit to a team and wish to move to another team in the same registration year will be considered a transfer and such transfer is subject to the WYSA Competitive Player Transfer Policy.*

### Notification to Players

Offers to players must be in writing (email or web posting) and may not occur until the Uniform Offer Date. (Early offers are the exception.)

A legitimate offer must be in writing and include:

1. Date and time of offer
2. Name of club representative making the offer, and
3. Team for which the offer is being made

### Response from Players

Acceptance must be in writing. If registration with the club constitutes acceptance of an offer, there must be a written statement communicating that in the offer or on the registration form. Players may respond immediately to offers but are not required to. An early offer must provide players a minimum of 72 hours to respond. Offers extended on or after the Universal Offer Date are valid for at least 24 hours during which time the player is guaranteed a spot on the team specified. A club or team may extend the length of time an offer is valid at their discretion.

A player is considered committed to a team when:

1. Written acceptance occurs, and
2. A parent/guardian submits the player registration.

Tryout registration is not considered a player registration. Refund policies are the sole discretion of the club. Players who commit to a team and wish to move to another team in the same registration year will be considered a transfer subject to Wisconsin Youth Soccer Association Competitive Player Transfer Policy.

*This policy is subject to change at the discretion of the WYSA Board of Directors if conditions dictate a need to do so.*
