WYSA Return to Play Update | July 8, 2020

On Monday, June 29 WYSA entered Phase II of the PLAY ON Protocol. As of this writing, we remain in Phase II and will continue to do so until further notice. With the first date of tryouts beginning Monday, July 13, WYSA is issuing tryout guidance to clubs. Those clubs who wish to host a tryout are expected to have been in Phase II of the protocol for at least one week.

Until we advance to Phase III, all full team competitions including scrimmages, games and tournaments are not permitted. WYSA will advise when it is possible to progress into Phase III. Each decision is guided by the current environment, professional expertise and the effort to preserve an opportunity for fall soccer. If you have specific questions about tryouts or PLAY ON, please contact [Melissa Zielinski](#) directly.
