## WYSA Indoor Programming | December 21, 2020

A few last updates for 2020. As a reminder, the WYSA office will be closed December 24 through January 3.

### Indoor

Indoor training activities are now sanctioned by WYSA. You can click here to review our [Indoor Play Checklist and Requirements](#). Remember, local health orders supersede governance from WYSA. You can also refer to U.S. Soccer's [guidelines for indoor soccer](#), which are part of the PLAY ON campaign.

### Tournament Sanctioning

The application period for 2021 tournament sanctioning has closed. Tournament approvals are expected to be issued around January 15. If you have questions, or missed the application window, please contact [Greg Rosenthal](#) directly.

### 2021 Tryout Policy

A survey for club feedback on key elements of the WYSA Tryout Policy was distributed to club leadership. Each club is asked to complete the survey by January 6. Don't forget to register for the club input meetings which will guide staff in developing a Tryout Policy proposal for 2021. Any club official (Director of Coaching, Board Member, Administrator) is welcome to attend. Attendance at multiple meetings is welcome but not necessary. Registration information has been sent to club leadership; dates are as follows: January 12 at noon, January 12 at 7pm, January 13 at 9am.

### Coaching Education

Education opportunities for 2021 are being added! If your club or district is interested in hosting, please review the [host guidelines](#) and submit an [application to host](#) online. Now is a great time to plan for 2021 licensing.

As we close the year and look forward to a better, brighter 2021, WYSA would like to extend a huge thanks to each of you who made soccer possible in 2020. Wishing everyone a safe and happy holiday season! We look forward to working with you in the New Year!
