- 2.3. **Official Game Card:** The official records of NCS games are the game cards filled out by the game referees and retained by the RCC Chair. The format and contents of the card are established by the USYS National Championships Committee and electronic scoring system.

3.0. SCORES & STANDINGS

- 3.1. **Scoring Method:** The standings of teams within brackets are based upon the number of points earned in qualifying games. Teams earn points as follows:
 - 3.1.1. Three (3) points for a win (including forfeits)
 - 3.1.2. One (1) point for a tie,
 - 3.1.3. No (0) points for a loss.
- 3.2. **Tie Breakers:** In the event teams are tied on the basis of points earned, the team's placement will be determined in accordance with the following sequential criteria:
 - 3.2.1. Winner of head to head competition (this criterion not used if more than two teams tied).
 - 3.2.2. Winner of most games.

- 3.2.3. Goal differential (goals scored minus goals against) with a maximum of four (4) goals per game.
- 3.2.4. Fewest goals allowed.
- 3.2.5. Kicks from the Penalty Mark (as described in Section 3.4).
Note: If more than two teams are tied, the sequence will be followed until a team advances or is eliminated. The remaining teams will then restart the sequence as stated in 3.2.2 until the tie is broken.
- 3.3. **Wildcard Team Selection:** For brackets requiring a wildcard for semifinal play, team placement will be determined in accordance with the following sequential criteria:
 - 3.3.1. Teams with most points.
 - 3.3.2. Winner of head to head competition (this criterion not used if more than two teams tied).
 - 3.3.3. Winner of most games.
 - 3.3.4. Goal differential (goals scored minus goals against) with a maximum of four (4) goals per game.
 - 3.3.5. Fewest goals allowed.
 - 3.3.6. Kicks from the Penalty Mark (as described in Section 3.4).
Note: If more than two teams are tied, the sequence will be followed until a team advances or is eliminated. The remaining teams will then restart the sequence as stated in 3.3.3 until the tie is broken.
- 3.4. **Kicks from the Penalty Mark**
 - 3.4.1. If Kicks from the Penalty Mark (as defined in the FIFA Laws of the Game) must be used to determine a semifinal or final round games, the procedure should follow FIFA Laws of the Game. If Kicks from the Penalty Mark must be used to determine a winner to advance from a bracket, the format will be as follows:
 - 3.4.2. If taking of Kicks from the Penalty Mark must be used to determine bracket or wildcard winners, the coach of each team shall declare the 11 players from their roster that they will use to take their kicks. If a player has been disqualified for the team's next match because of a red card, that player may not participate in the kicks.
 - 3.4.3. If Kicks from the Penalty Mark are to be taken by three (3) teams, there will be a draw by the RCC. The first team drawn will receive the bye. The next team drawn will be the home team against the remaining team in the first contest of penalty kicks. The winner of the first contest will then compete against the bye team in Kicks from the Penalty Mark to determine the winner. The bye team in the second contest of penalty kicks will be the home team. This process is only used when three (3) teams remain tied after going through the Tie Breakers.
 - 3.4.4. If Kicks from the Penalty Mark are to be taken by four (4) teams there will be a draw by the RCC. The first team drawn will compete against the second team drawn in the first contest of penalty kicks. The first team drawn will be the home team in this contest of penalty kicks. The third team drawn will compete against the fourth team drawn in the second contest of Kicks from the Penalty Mark. The third team drawn will be the home team in this contest of Kicks from the Penalty Mark. The winners of each of these two (2) contests will then compete to determine the winner. The winner of the first/second drawn teams will be the home team in this final contest. This process is only used when four (4) teams remain tied after going through the Tie Breakers.

4.0. MIDWEST REGIONAL CHAMPIONSHIPS RULES & REGULATIONS

4.1. Team Entry

- 4.1.1. **Ages:** Each State Association may enter one boys and one girls team in each of the following age groups: 19 and Under, 18 and Under, 17 and Under, 16 and Under, 15 and Under, 14 and Under and 13 and Under.
- 4.1.2. **Fees:** Each year the National Championships entry fee shall be established by US Youth Soccer.
- 4.1.3. **Regional Entry Fee:** A non-refundable entry fee will be established each year as part of the US Youth Soccer budget process. This entry fee shall be remitted directly to the National Office upon invoice after the state entries and wildcards have been determined.
- 4.1.4. **Withdrawal:** State Associations may withdraw any team(s) from the Midwest Regional Championships up to 60 days prior to the start of preliminary round games without

penalty; however, the Regional entry fee shall not be returned for teams that withdraw. Any State Association that withdraws teams from the Midwest Regional Championships less than 60 days prior to the start of preliminary round of the competition shall be fined \$1,500.00 for each team withdrawn. If a team withdraws within 14 days of the start of the preliminary round of the competition, the fine shall be \$3,000.00.

- 4.1.5. **Forfeiture:** If any team forfeits any game in the Midwest Regional Championships, the team may be fined up to \$1,000.00 per game. Forfeitures will be determined by the RCC. The State Association shall be responsible for collecting any fine(s) from the teams that are penalized by fines.
- 4.1.6. **Bad Standing:** Any State Association that does not pay the fine(s) assessed by US Youth Soccer shall be considered in bad standing, and no teams from that State Association shall be permitted to participate in future Regional Championships until the fines are paid.
- 4.1.7. **National Championships Withdrawal:** It is expected that teams who win the Midwest Regional Championships will represent the Midwest Region at the National Championships. If a team withdraws from the National Championships at any point following the Midwest Regional Championships, the team shall be fined \$5,000. The State Association shall be responsible for payment of any fine(s) and is responsible for collecting any fine(s) from the teams that are penalized by fines. If a team withdraws from the National Championships, the runner-up will be given the first opportunity to represent the region at the National Championships. If the runner-up is not available, the remaining semi-finalist teams will be given the opportunity in order of highest points in their respective brackets.
- 4.2. **Wildcard Teams**
 - 4.2.1. **Qualification:** Each State Association (excluding the HSA) that entered and whose teams participated in all eligible divisions except 19 and Under in the prior year Midwest Regional Championships may elect to have its name entered into the drawing to complete any bracket(s) in which wildcard teams are needed that have not been filled by the National League Midwest / Great Lakes Conferences (NL) as stipulated in 4.2.2 to complete brackets in accordance with Midwest Regional Championships policy. A State Association may elect not be included in a particular age group drawing without penalty.
 - 4.2.2. **NL Wildcards:** All wildcard entries will first be filled by the National League Midwest / Great Lakes Conferences. These positions will be filled according to the process set forth by league manager by teams who were not State Cup Champions. These teams must have entered and competed in the State Cup at their State Association level. The NL wildcards are not subject to the requirements listed in 4.3 for drawn wildcards.
- 4.3. **Drawn Wildcards**
 - 4.3.1. **Rationale:** The purpose of permitting the State Associations to enter their second-best team in any bracket in which wildcard teams are needed based on Midwest Regional Championships Policy is to ensure that an even number of teams are playing in the Midwest Regional Championships. Even numbers will permit equity in scheduling games in World Cup Format competition.
 - 4.3.2. **Blind Draw:** The blind draw to determine which State Association shall have the wildcard shall be conducted in all of the age groups in which the total number of teams entered is an odd number. This blind drawing will be conducted from the qualifying State Associations as described in 5.1. This procedure will determine which State Association may submit a second team into the Midwest Regional Championships.
 - 4.3.3. **Withdrawal:** If the NL wildcard withdraws prior to the competition, the league manager will be responsible for designating the replacement.
 - 4.3.4. If a team withdraws from a bracket that was even without the addition of a wildcard more than 60 days prior to the start of preliminary round of the competition, an additional blind draw shall be held among the eligible State Associations, as described in 5.1, to determine which State Association may enter a team to complete this bracket. If the selected State Association refuses the opportunity to enter a team, an additional drawing(s) shall be held to select a team. If all eligible State Associations refuse, the HSA shall be permitted to enter their second team.
 - 4.3.5. If a team withdraws from a bracket that included a drawn wildcard more than 60 days

prior to the start of preliminary round of the competition, the drawn wildcard will be dropped from the competition. If another team withdraws from the same division that the drawn wildcard was dropped, the drawn wildcard shall be asked to reenter the competition. If the previously dropped wildcard refuses to participate, the HSA shall be permitted to enter their wildcard.

- 4.3.6. If a team withdraws from a bracket that included a drawn wildcard less than 60 days prior to the start of preliminary round of the competition, the drawn wildcard team shall remain in the competition and the HSA may enter an additional team to keep the bracket even. If the HSA is unable to enter an additional team, a blind draw will be conducted among interested State Associations. If there are no interested State Associations, the NL may enter an additional wildcard. No HSA may enter over one additional team per age division excluding their State Champion and NL wildcard, if applicable.
- 4.3.7. Regional Entry Fees: All State Associations that enter a wildcard team in an age group shall pay the approved Regional entry fee for that team's entry. If any of the wildcards are forced to drop, only the Regional entry fee portion(s) shall be returned.

5.0. SCHEDULING

- 5.1. **Draw:** All teams shall be scheduled in the Midwest Regional Championships by a blind double draw unless specifically provided for in the scheduling section of this policy. The blind double draw is defined as the State Association or NL wildcard shall be drawn from one bowl and the bracket position is drawn out of another bowl.
- 5.2. **Seeding:** The prior year semifinalist states will be seeded in each of the four (4) competitive brackets. The two (2) finalists would be placed in brackets A and B, with the remaining state semifinalists placed in brackets C and D. The remaining slots would be drawn using the same double-blind draw currently used. In age divisions with only three (3) brackets, the two (2) finalists would be placed in brackets A and C with the best state semifinalist placed in the B bracket based on tie breaker criteria in the Midwest Regional Championships Policy. This would apply to the 14 and Under thru 19 and Under divisions.
- 5.3. NL wildcards and State Association drawn wildcards will continue to be treated as teams that are used to fill in competition in order to reach bracket sizes per the Midwest Regional Championships Policy. Therefore, the NL wildcards cannot be seeded in the top four (4). If a NL representative or drawn wildcard was a semifinalist in the prior year, that slot will be filled using the current double-blind draw process.
- 5.4. If a State Association has the opportunity to enter a second team into the Midwest Regional Championships at the time of the original draw, each team shall be placed into the blind draw.
- 5.5. If a State Association is forced to drop their second team due to a withdrawal of a team from another State Association, a new blind draw shall be conducted.
- 5.6. If a State Association withdraws after the original draw and another State Association or NL is permitted to enter a second team, the second team shall be placed in the same draw location as the team from the State Association that dropped from the Midwest Regional Championships.
- 5.7. If a second team is drawn into a bracket with the same State Association, that position would exchange positions with the comparable position in the bracket to the right in an A-B-C-D or A-B-C scenario. The NL representative would also be treated as a State Association in that two (2) NL teams would not be in the same drawn bracket. During the initial draw, NL placeholders will be drawn into bracket locations as defined above. Upon receipt of the final qualifying NL representatives, a subsequent blind draw will be conducted to place the NL representatives into the NL placeholder bracket locations. If a NL representative is drawn into a bracket with a team from the same State Association, that position would exchange positions with the NL placeholder position in the bracket to the right until there are no conflicts as defined above.
- 5.8. **Brackets:** All divisions shall be scheduled as shown on Appendix I.
- 5.9. **Games:** Teams cannot be scheduled to play more than two (2) games on any one (1) day. In the event of rain, weather and/or field challenges causing cancelled games, a second game may be moved to the last day along with the finals. If necessary due to weather or field problems, games may be rescheduled on additional days, including games on the Rest Day between preliminary round and the semi-finals.

6.0. PLAYING RULES

- 6.1. **Application:** All games shall be played under FIFA Laws of the Game as modified by USSF and/or US Youth Soccer.
- 6.2. **Red Cards:** Any player or coach dismissed from a game shall be ineligible to participate in the team's next game. At the discretion of the Regional Protest and Appeals Committee, the suspension may be increased and could result in ineligibility for more than one (1) game. No substitution shall be permitted for a player who has been sent off during a particular game.
- 6.3. **Official Game:** Midwest Regional Championships unfinished games due to any cause shall be replayed providing neither team is at fault and play has not begun in the second half. If play is stopped during the second half and if play cannot be resumed and provided neither team is at fault, the game may be deemed as complete by the RCC. However, should play be stopped at any time due to one of the teams being adjudged at fault it shall be at the discretion of the RCC as to whether the game is to be re-played or declared a forfeit.
- 6.4. **Grace Period:** A minimum of seven (7) players constitutes a team. A 10-minute grace period shall be extended beyond the scheduled kick off time if seven (7) players are not available at the scheduled kick off time. A team of seven (7) players must start the game as soon as seven (7) players are at the field after the originally scheduled start time. If at the end of the 10-minute grace period the team does not have seven (7) players, the referee shall suspend the game and report the failure of the team to appear to the RCC Chair. The RCC Chair may declare a forfeit. Any team that forfeits a game will not be allowed to advance out of their group to the semi-finals. In the event of a forfeit, the score awarded to the winning team will be the average number of goals scored by that team (goals scored divided by games played) in their other games within their division and average number of goals scored against the team (goals scored against divided by games played) by their division opponents.
- 6.5. **Uniform**
 - 6.5.1. All teams must wear uniforms that conform to National Championships Policy Rule 241 Section 3.
 - 6.5.2. Each team shall wear the "State Champion" patch presented to them at their state championships on the right sleeve of one (1) set of jerseys.
 - 6.5.3. Each player shall have a number on the player's jersey. The number shall be affixed to the back of the jersey and shall be clearly visible. Each player on a team must wear a number different from the number of every other player on the team. No taped or altered numbers will be allowed.
 - 6.5.4. Games may be suspended by the referee or the RCC Chair, if in his/her judgment uniforms worn by the team are not acceptable for competition per Midwest Regional Championships Policy.
 - 6.5.5. The team shall be given an opportunity to change uniforms.
 - 6.5.6. The RCC Chair shall forfeit the game if the RCC Chair agrees the uniforms are unacceptable.
- 6.6. **Colors:** The home team shall wear light colors and the away team shall wear dark colors. In the event of a color conflict, the home team shall change to an alternate set of uniforms. The home team shall be determined by the RCC Chair.
- 6.7. **Ball:** All teams shall play each game with balls that will be provided US Youth Soccer. A team may use their own ball if approved by the referee.
- 6.8. **Scoring:** See Section 3 of the Midwest Regional Championships Policy.
- 6.9. **Substitution:** All games shall be played with the substitution rules outlined in the National Championships Policy, including suspected head injury substitution policy (Rule 242 Section 3), with the following exceptions:
 - 6.9.1. For 15 and Under and older age groups
 - 6.9.1.1. Substitution may occur on any stoppage of play with the approval of the referee.
 - 6.9.1.2. If a player is removed from the game and no substitute enters the game for the player (team plays short), the original player may re-enter the game. Entry shall be at a normal substitution point (with approval of referee) or at

any point during the game if the referee signals for the player's re-entry. If the goalkeeper is dismissed by the referee, the referee may allow the team to replace the goalkeeper with a player from the bench provided they have a substitution available. The team; however, must still play short with another player leaving the field of play.

6.10. Team Credentials

- 6.10.1. **Team Passes:** Each player and team official listed on a team roster must have a valid US Youth Soccer member pass at the competition. The US Youth Soccer member pass must carry a current photograph of the player or team official. All member passes shall be laminated. Teams without US Youth Soccer member passes shall not be allowed to participate in the Midwest Regional Championships.
- 6.10.2. **Bench Personnel:** Bench Personnel are limited to four (4) individuals (this includes trainers, head coaches, assistant coaches, managers, club coaches, and/or any other team officials) per technical area per game. Each individual must have a valid US Youth Soccer pass and wear a "Bench Pass" credential at all times while in the technical area.

7.0. ALCOHOL, TOBACCO & ILLEGAL DRUGS

- 7.1. Players in Midwest Regional Championships are prohibited from using alcohol, tobacco or illegal drugs at any playing site or event site associated with the Midwest Regional Championships. Penalty for violation by player participants is disqualification from the competition.
- 7.2. The use of alcohol, tobacco or illegal drug by all individuals at any playing site or event associated with the Midwest Regional Championships is prohibited.

Midwest General Manager/Designee Approval	Title	Date

The following US Youth Soccer Midwest Regional Championships Rules & Policies stipulated below shall be mutually understood when applying for the "Commuter Housing Waiver".

1.10. Housing Requirements

- 1.10.1. Each State Association must select their rooms through the official housing provider of the Midwest Regional Championships in order of the housing draw in Appendix III.
- 1.10.2. Any State Association whose teams fail to utilize the selected rooms without approval of the Midwest General Manager or designee shall be subject to a fine of \$1,000 per team not using said rooms. Those teams may also lose eligibility to participate in the competition.

4.1. Team Entry

- 4.1.5. **Forfeiture:** If any team forfeits any game in the Midwest Regional Championships, the team may be fined up to \$1,000 per game. Forfeitures will be determined by the RCC.
- 4.1.6. **Bad Standing:** Any State Association that does not pay the fine(s) assessed by US Youth Soccer shall be considered in bad standing, and no teams from that State Association shall be permitted to participate in future Midwest Regional Championships until the fines are paid. The State Association shall be responsible for collecting any fine(s) from the teams that are penalized by fines.

6.0. Playing Rules

- 6.4. **Grace Period:** A minimum of seven (7) players constitutes a team. A 10-minute grace period shall be extended beyond the scheduled kick off time if seven (7) players are not available at the scheduled kick off time. A team of seven (7) players must start the game as soon as seven (7) players are at the field after the originally scheduled start time. If at the end of the 10-minute grace period the team does not have seven (7) players, the referee shall suspend the game and report the failure of the team to appear to the RCC Chair. The RCC Chair may declare a forfeit. Any team that forfeits a game will not be allowed to advance out of their group to the semi-finals.
