About the Club

The Evansville Soccer Club is a community-based 501(c)(3) club. Our club is committed to developing players through the sport of soccer. Our club has two programs, a MAYSA league program for players in U9 and up and an in-house program for players U8 and under. In the fall 2026-2027 season, we had eight teams competing in the MAYSA league; we anticipate adding two MAYSA level high school teams for the spring season. We typically have between 80-120 players in the in-house program.

Position Summary

The Evansville Soccer Club is seeking a Director of Coaching to lead our program. The Director of Coaching is responsible for creating a positive player experience by developing a unified standard of coaching and curriculum. The DOC's role is to provide mentorship to our volunteer coaches by understanding their needs and responding with feedback and support. The DOC works closely with the coaches and reports to the Board of Directors to provide a consistent experience for players.

Responsibilities:

- Develop and maintain a clear, consistent standard of coaching
- Lead club-wide coaching meetings to include the following:
    - Educational workshops for coaches prior to each season (Fall and Spring) to give coaches actionable strategies, build community in the coaching pool, and empower volunteer coaches to feel equipped to lead
    - Post-season (Fall and Spring) group evaluations for coaching staff that reflect on positive progress, address areas for potential growth, and collaboratively identify club-wide goals for the upcoming season
- Build and maintain positive, constructive relationships with the club's coaching staff and the board of directors
- Attend practices upon coach request

Qualifications

- Minimum of 2–3 years of youth soccer coaching experience, preferably with a nonprofit or grassroots program
- Grassroots, USSF "D" License, or equivalent United Soccer Coaches certification
- Exceptional communication skills
- Must pass a standard background check and SafeSport training
